

# SUMMER SCHOOL

FROM INVISIBLE TO INDISPENSABLE:  
HARNESSING UNEXPLORED MICROBIAL  
BIODIVERSITY FOR RESILIENT AND  
SUSTAINABLE AGRICULTURE

## CONTACT

SupBiotech Paris  
66 rue Guy Môquet, 94800, Villejuif, France

email address: [international@supbiotech.fr](mailto:international@supbiotech.fr)

## DATES

July 27 to August 7, 2026

## DETAILS

Teaching & training language: English

Type of participants: Students

5 students per institution

Monday to Friday: intensive course and learning activities

Activity Duration - 10 days

4 ECTS credits

## PROGRAM INCLUDES

- 10 breakfast & lunches, 1 dinner
- 2 cultural activities
- Accommodation (double rooms) from July 26 to August 7, 2026 at the Ecla Residence (2 minutes from campus)
- Local transportation card

Cost: €1,450

## APPLICATION DEADLINE

May 31, 2026

## OBJECTIVES

- Understand the importance of microbial biodiversity for ecosystem services in nature and agriculture.
- Learn about the role of microorganisms in sustainable agriculture.
- Gain skills in metagenomics.
- Develop bioinformatics skills for microbiome analysis.
- Foster systems thinking to analyze complex problems and propose biotechnological solutions.

# SUMMER SCHOOL

FROM INVISIBLE TO INDISPENSABLE:  
HARNESSING UNEXPLORED MICROBIAL  
BIODIVERSITY FOR RESILIENT AND  
SUSTAINABLE AGRICULTURE

## PREREQUISITE

Show an interest for the microbiology sector.  
Profile with scientific or marketing training  
wishing to acquire knowledge on the biology of  
the the intricate interactions between  
microbes, other living organisms (humans and  
plants), and their physical environment (soil)

## OVERVIEW

You will dive into the fascinating world of microbial diversity that keeps our planet running, especially in everything related to our plate and food security. You will also explore how modern agriculture can disrupt these invisible little allies. The latest cutting-edge techniques for decoding the secrets of microbiomes will be revealed in theoretical courses and practical lab sessions.

## LEARN FRENCH AND CULTURAL EXPERIENCE IN PARIS

Enjoy an Optional week of French courses!  
3 ECTS credits

Dates: 19 - 24 July, 2026  
Cost: €750

Start your Summer School with an intensive week of French classes. This week in Paris, you will dive headfirst into French culture with language classes and cultural activities. You will not only learn French but also the traditions and lifestyle of France. Each day is a new adventure through historical sites and local customs, offering an enriching perspective on France and enhancing your language proficiency!
